Sample client emails: in the advisor's voice

Three emails from one trip, each with when it goes out and how it's sent.

Part of a Set it up build. Each email is written from emails the advisor has already sent, so it sounds like them. The highlighted words fill in on their own from the trip. The advisor approves every email before it goes live.

Goes out: Day the deposit is paid **How:** Draft for the advisor to review, or send on schedule

Subject: You're booked! Here's what happens next

Hi **First name**!

Your **Trip name** is booked, and I'm so excited for you!

Here's what happens next:

1. Please fill out this short traveler form by **Form due date**: **Form link**. I need everyone's name exactly as it is on their passport, plus any food or mobility needs.
2. I'll send you a travel insurance quote in the next day or two.
3. Your final payment of **Amount** is due on **Final payment date**. I'll remind you before then.

Any questions, just reply to this email.
